PROFESSIONAL SUMMARY

- Debugs and troubleshoots front-end code to identify issues and ensure smooth, responsive user experiences.
- Applies logical reasoning and problem-solving skills to resolve technical challenges and optimize web application performance.

SKILLS

- HTML, CSS, Tailwind, React, Next.js, Responsive Design, Accessibility, Git, GitHub, VS Code, Netlify, REST APIs, Affinity Designer, JavaScript, TypeScript, C++
- Spanish (Fluent)

EDUCATION

Bachelor of Computer Science| Elmhurst University   May 2025

- GPA: 3.6/4.00
- Major: Computer Science

PROJECTS

Weather Service |Real-time weather app displaying severe weather alerts across the U.S. | May 2025

- Implemented a real-time alert system using NOAA's API with state-based subscriptions for severe weather notifications.
- Developed a React and Leaflet.js heat map showing real-time heat index data with dynamic state filtering
- Designed a scalable backend using Next.js API routes, MySQL, and Prisma ORM to handle high-volume weather data updates.

Personal Portfolio Website | Website to show my skills and projects | January 2026

- Designed and developed a responsive portfolio featuring custom layouts, animations, and interactive UI elements.
- Created original visual assets using Affinity Designer and deployed the site via Netlify.

Streaming Service | Replica of popular streaming service for movies and shows | November 2024

- Developed a full-stack application for browsing and searching movies and shows.
- Built a responsive interface using HTML, CSS, and Bootstrap with a MySQL database backend.

WORK EXPERIENCE

Office Manager | HomeBuild, Villa Park, IL   June 2025 – Sept 2025

- Coordinated schedules and operations for a three-person sales team using MarketSharp CRM while managing installation timelines and deliveries.
- Served as the primary customer contact across multiple channels, scheduling appointments and resolving service inquiries.
Communicated with vendors to resolve order delays and ensured timely updates to customers.

Team Member | Party City, Niles, IL   August 2023 - February 2025

- Collaborated with customers to determine their balloons decor preferences by providing knowledgeable consultation to enhance the visual appeal for their parties
- Trained three employees to ensure a seamless transition to the job
